

GEORGIA CENTER FOR DIABETES TRANSLATION RESEARCH

Advancing Engagement and Evaluation in Diabetes

2nd Annual GCDTR Research Symposium & Qualitative Methods Workshop

Join us from 1 – 3pm to learn about previously funded and newly funded pilot studies and how the Georgia Center for Diabetes Translation Research is expanding opportunities for diabetes translation research in Georgia.

A NIH-qualitative research methods workshop will also be provided from 3 – 4pm.

The Intersection of Chronic Diseases: Understanding the Care Continuum for Patients Co-affected by HIV and Diabetes

Mobile Health Based Type 2 Diabetes Management in South Asian Immigrants

A Sleep Intervention (SLEEP-Extend) for Young Adults At-Risk for Type 2 Diabetes
