

Georgia Center for
Diabetes Translation Research

2nd Annual

Research Symposium

FRIDAY, JANUARY 12 | 1:00 PM - 4:00 PM

Klamon Room, 8th Floor, Claudia Nance Rollins Building
Rollins School of Public Health, Emory University

1:00 PM - 3:00 PM: GCDTR Pilot Projects

Join us to learn about previously funded and newly funded pilot studies, upcoming funding opportunities, and how the Georgia Center for Diabetes Translation Research is expanding diabetes translation research in Georgia.

- *The Intersection of Chronic Diseases: Understanding the Care Continuum for Patients Co-affected by HIV and Diabetes*
- *Adoption of New Lifestyles among Refugee Families: Health Implications of Integration*
- *A Sleep Intervention (SLEEP-Extend) for Young Adults At-Risk for Type 2 Diabetes*
- *Mobile Health Based Type 2 Diabetes Management in South Asian Immigrants*
- *Feasibility of a Soccer-based Adaptation of the Diabetes Prevention Program*
- *Culturally Tailored, Cognitive Behavioral Intervention (CT-CB) for African American Patients with Type-2 Diabetes: A Pilot Study*

Light refreshments will be served

3:00 PM - 4:00 PM: Qualitative Research Grant Writing Seminar

A free seminar on writing grants for qualitative research will be conducted by Drs. Monique Hennink and Mary Beth Weber of the Rollins School of Public Health.
